# SUPERINTENDENT KONSTANTINOS

FOCUSES FUTURE GOALS

In his fourth year as superintendent **Mr. K. Kiki Konstantinos** has served Lenape in varied capacities. Before attaining his present status, he taught biology and functioned as athletic director and football coach, assistant principal and principal. "Mr. K.", as he is affectionately known by the student body, supplemented his education with a Master of Science degree from West Virginia University. He has played an integral role in the development of Lenape's academic and extra-curricular life... successfully attempting to make Lenape "just a little bit better." At present Mr. K. is working hard on plans for an additional high school.

# MR. BROWN LEADS EDUCATION BOARD

The Board of Education of Lenape Regional High School is an organization of devoted individuals, who represent seven districts. The responsibility for formulating educational policies of the school district lies with the Board. Their job of managing Lenape, which consists of a student body of over 2000 and covers an area of 254 square miles, requires an efficient and competent staff. The Board of Education fulfills both these requirements.

Mr. C. Francis Atkinson, Mr. K. Kiki Konstantinos and Mr. Henry F. Dylla look over plans for new school.

## MR. DRISCOLL, PRINCIPAL

As Principal, Mr. Richard Driscoll functions with maximum efficiency. In his addresses to the student body he illustrates a sincere concern for the welfare of the individual student. Mr. Driscoll functions effectively as both confidant and administrator.

Mr. Driscoll and Mr. Schnepf foresee a victory. Below Mr. Driscoll addresses Pep. Rally.

## OUR MEN ON THE GO

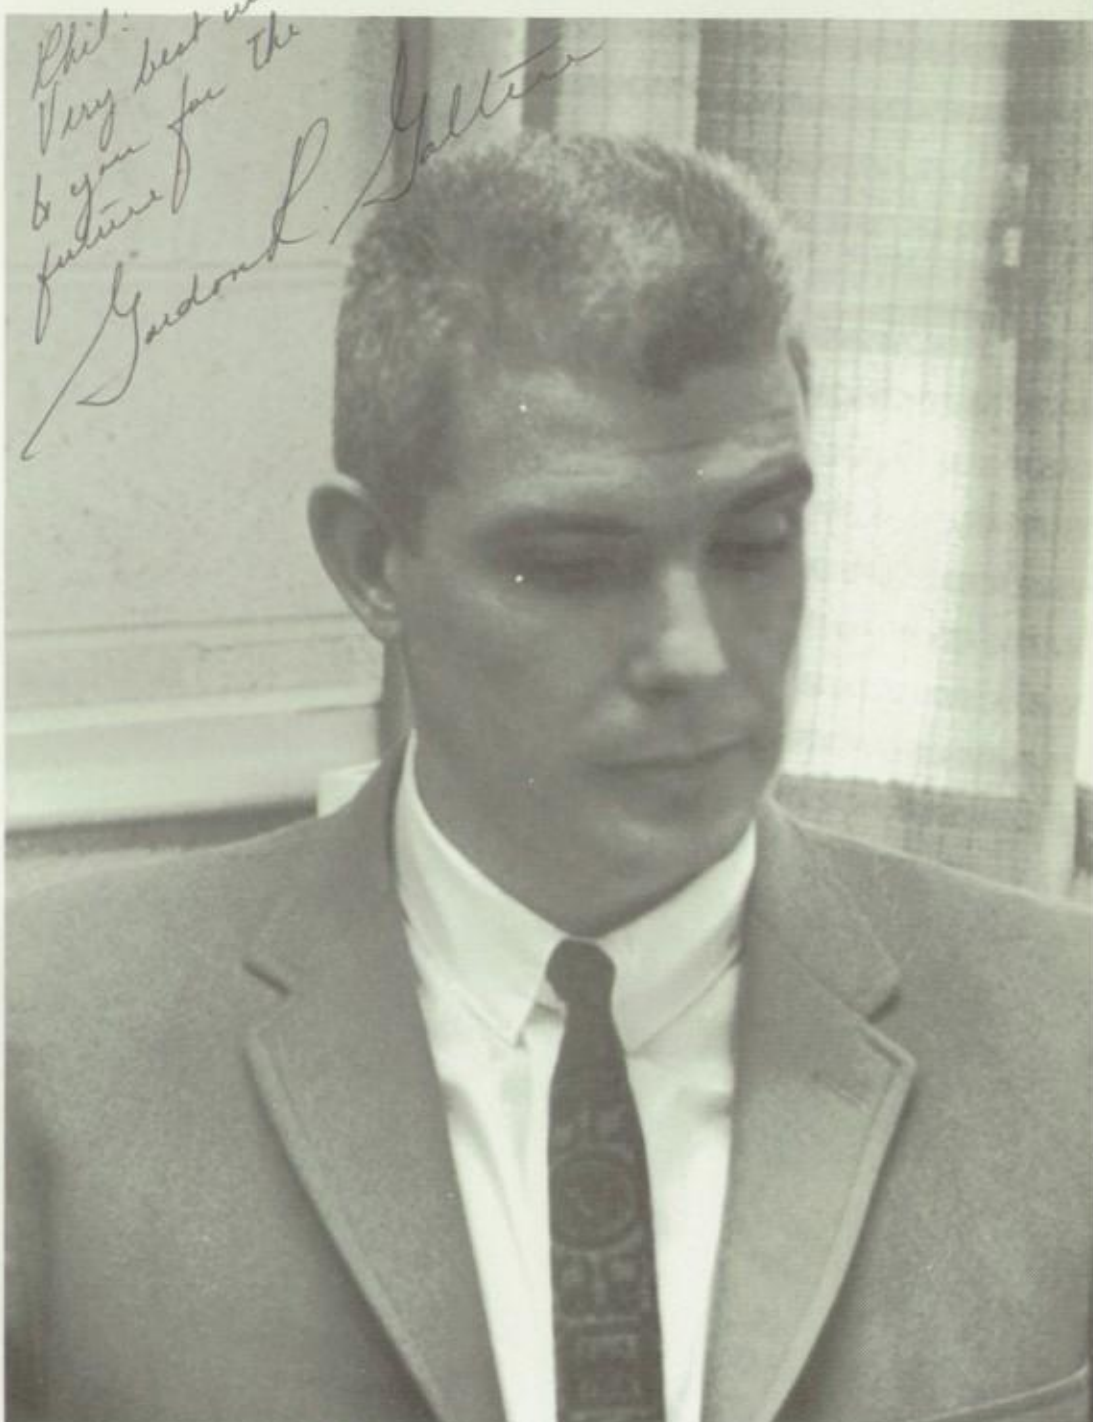

Mr. Castle, Administrative Assistant, can usually be found playing trailmaster to our caravan of forty-nine covered wagons. When the caravan is at rest his activities range from friendly school store dealer to spirit booster at assemblies.

Our Assistant Principals, Mr. Paternoster and Mr. Galtere, underscore the Discipline and organization of Lenape's student body and curriculum. Mr. Paternoster and Mr. Galtere divide their duties between the North and Main Buildings.

MR. RUSSELL KEEFER  
Class of '68

MRS. JOYCE BURNS  
Class of '70

The Guidance Department of Lenape is composed of an understanding staff always willing and ready to aid and advise the individual students. It is their policy to welcome students to the Guidance Office and each member of the department works diligently at retaining the reputation of being a competent, as well as friendly, guidance counselor. First of all a guidance counselor is a good listener. A guidance counselor is a wealth of information on colleges and vocations. The latest devices such as the view deck, pictured above, are used.

The teachers in the English Department at Lenape educate the students to understand the intricacies of English expression and endeavor to inculcate an appreciation of the many facets of literature. A Reading Laboratory now aids the students in improving their reading comprehension and study skills, both necessary in realizing these objectives.

With a growing emphasis being placed on communications the language department attempts to give the student a basis on which to build fluency. An increasing amount of techniques are being employed in teaching language. The speaking of a modern language was formerly neglected; the emphasis was placed on grammar and translation. However, by integrating the spoken and written aspects of language, the student receives a balanced understanding of the language.

MR. WILLIAM CRANE  
American History I, II

The social studies department has attempted to give students a diverse background in history, the understanding of human affairs, and current events. An aim of the department is to instill a sense of responsibility toward the community and to create a thinking atmosphere toward the problems facing tomorrow's world. Lenape has modernized its history department with course offerings in World History, Modern European History, Economics and Sociology, and Current Affairs, and American History.

Algebra I

The advantages of a "Contemporary Mathematics" program is that the WHY of mathematics is stressed as well as the HOW. The "why" is of utmost importance because knowing "why" enables the student to study mathematics independently throughout life. In our civilization the areas of knowledge are constantly expanding and this expansion brings with it new problems which require mathematical solutions — perhaps even involving mathematics which is not known today. For this reason, the teachers of the Mathematics Department strive not only to teach the math of today, but how to study mathematics so that their students will be able to learn whatever new mathematics will be required of them in the future.

Team teaching and the use of Data Processing equipment have aided the Business Department in keeping up with automation in 1967 and a consequent increase in job skills required. Some students, such as the one below, take part in the Distributive Education Program by working in private businesses or in the Work Experience Program as secretaries. Lenape now offers a liberal and modern business education.

## PHYSICAL EDUCATION

Lenape's Physical Education Department, composed of an energetic and competent staff, provides for a curriculum compatible with the President's Physical Fitness Program.

Throughout the year a strenuous course is presented with emphasis on good sportsmanship in both the boy's and girl's sports. For the upperclassmen, stress is placed upon individual sports such as tennis, archery, and gymnastics, while the underclassman participates in and becomes familiar with the major team sports.

you are definitely one of the  
senior kids & will  
miss the class whom I've been  
through most.  
The members of the science department, endeavor to prepare students for challenging careers in the space-age-world. Courses such as Physics, Biology, and Chemistry, provide a wide and varied background for prospective scientists, and for the student who desires a liberal education in a scientific age.

## A CAPFUL OF MEMORIES

Under the leadership of Miss Joyce Kahanofsky and Mr. Theodore Steinmetz the Senior Class has succeeded in numerous activities. Throughout the year, Seniors have worked diligently on the Senior play, class project, concession stands, dances, and of course — graduation! Whether selling hot dogs and Christmas cards or rehearsing for the opening night of the musical "Bells are Ringing" the Senior class proved to be energetic and enthusiastic.

At the end of the year Senior accomplishments are rewarded with graduation and a "capful" of fond memories of our four years at Lenape.

## EXCHANGING IDEAS WITH ISABELLE AND MANUEL

Life at school was an important part of the whole American Field Service program for me. Here at Lenape is where I have made more friends and where I have met more young people than anywhere else during this year. Through Lenape and through my family (the Robert Paynters) I have come to know a little but important part of America and its way of life. I hope you will have learned something of Spain from me.

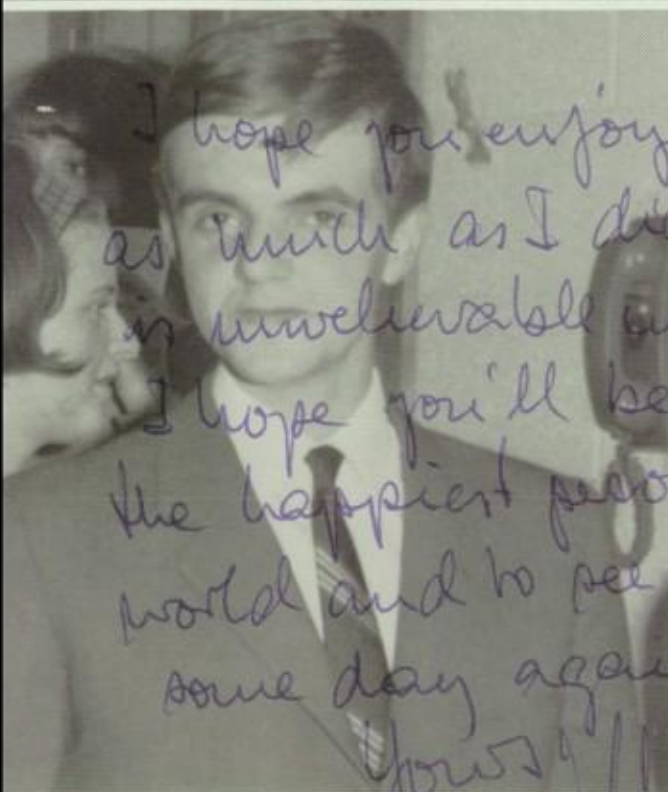

School here is not like it is in Barcelona. There we have more subjects, no electives, and a large number of students in each class. The relationship between teachers and students is not so friendly as it is here. We do not have so many activities or serious sports practice either.

I have learned to know and like Lenape, from the most difficult test to the funniest pep rally! And I thank you Lenape; teachers, students, and administration, all of you, because you have really made me feel at home here. I shall never forget this year with you!

*Manuel Kier*

Manuel's family include Rick, Bob, David and Mr. and Mrs. Robert Paynter. Mr. Robert Reed, Isabell, Mrs. Reed and Lynda are pictured below.

*I hope you enjoyed this year as much as I did. It is an invaluable experience. I hope you'll be the happiest person in the world and to see you some day again. Yours, Manuel*

Dear Friends from Lenape,

It's an exciting year I have spent here, learning so much from you about American life and ideas. Most of the differences I found come from our educational systems. In my Lycee in Tarascon of Southern France I had to take twelve subjects and an exam every three months which determined promotion. It's not, as here, the center of social life: all the clubs I belonged to (tennis, riding, skiing, dance, and movies) were not part of my school. At home we have a big old house surrounded by vineyards, my father is a wine producer. Here I live in Ramblewood with the Robert Reeds, Lynda is my American sister. If the way of living may seem different because of all the modern advantages and facilities you possess, I found affection and a wonderful family life which made me feel at home since the beginning.

Before leaving, we'll have an A.F.S. trip in some states of the U.S.A. and I will learn more about your country. But all of the real experiences I take with me back to France will be from Lenape and my home here. And it's for this marvelous year that I want to thank all of you!

*Isabelle Paynter*

*Heilwene  
chance in  
your life.  
This year  
has been  
a wonderful  
one. I'll never forget all  
of you. Especially  
our big and  
strong and  
the best  
farm. Hope to see you  
again. Rats*

## SOUTHERN SPLENDOR

The efforts of many seniors were necessary to make our prom a success but a few of the class of '67 deserve special recognition. Co-Chairmen Beryl Irick and Velma Bethel did an excellent job. The decorations were outstanding due largely to the efforts of Pat Dunlap and Shirley Long and also to the many seniors who often stayed after school twisting tissue into flowers!

Sandy Smalley (Refreshments), Ginny McClelland (Invitations), Lil Major (Programs), Helen Gooch and Jim Davis (Tickets), Margie Dawes (Publicity), Jeb Banker (Set Up), Lennie Dawes (Coronation), Phyllis Nettleman (Formal Wear), Nancy Wells (charms), Brian Rourke (Props) and last, BUT NOT LEAST, Jay Layman and Fred Dylla (Clean Up) are among those to whom the class of '66 owe a special vote of thanks!

Jack Hartshorn, male lead, and ensemble celebrate "Independence"!

# JUNIORS

CLASS OFFICERS: Jake Wechselberger, President; Doug Dylla, Vice President; Suzi Kepler, Corresponding Secretary; Mrs. Anne Gurgiel, Advisor; Patty Alvini, Recording Secretary; Mr. Richard Bryfogle, Advisor; Not pictured: Janet Mastrangelo, Treasurer.

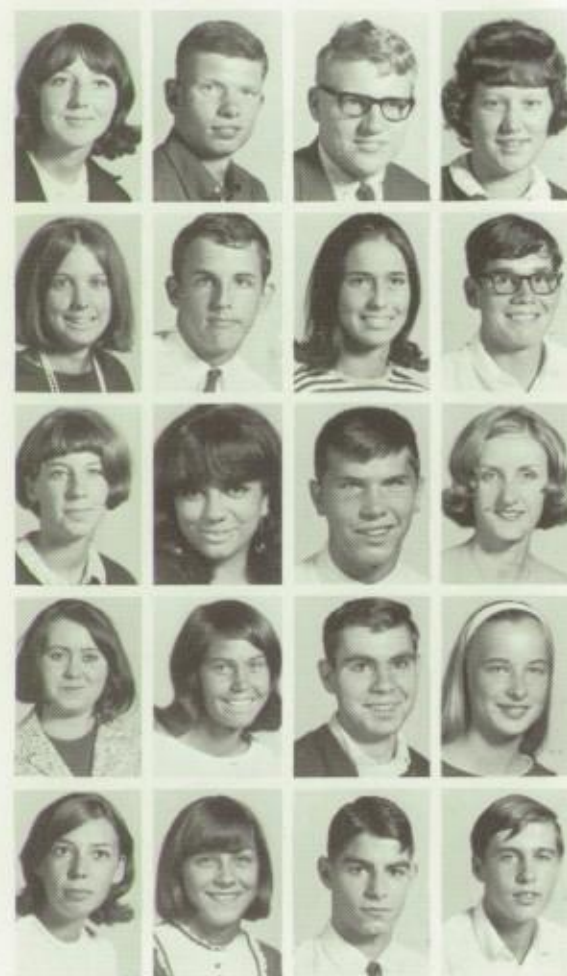

This year proved to be a busy one for the Juniors. They worked hard on their class project which was selling peanut butter cups and assorted chocolates. The money they earned helped for the expenses of the Junior-Senior Prom, "An Evening in Paris". Sue Schreiber was prom chairman and Karen Courtney was co-chairman. Committee efforts succeeded in producing one of the best proms. The Junior Play this year was "A Doll's House" by Ibsen.

The Talent Show turned out to be a big success with Janet Mastrangelo's modern dance routine placing first, Cindy Gaudio's outstanding performance at the piano placed second, and singing Rose McMenimen, a first last year, as third.

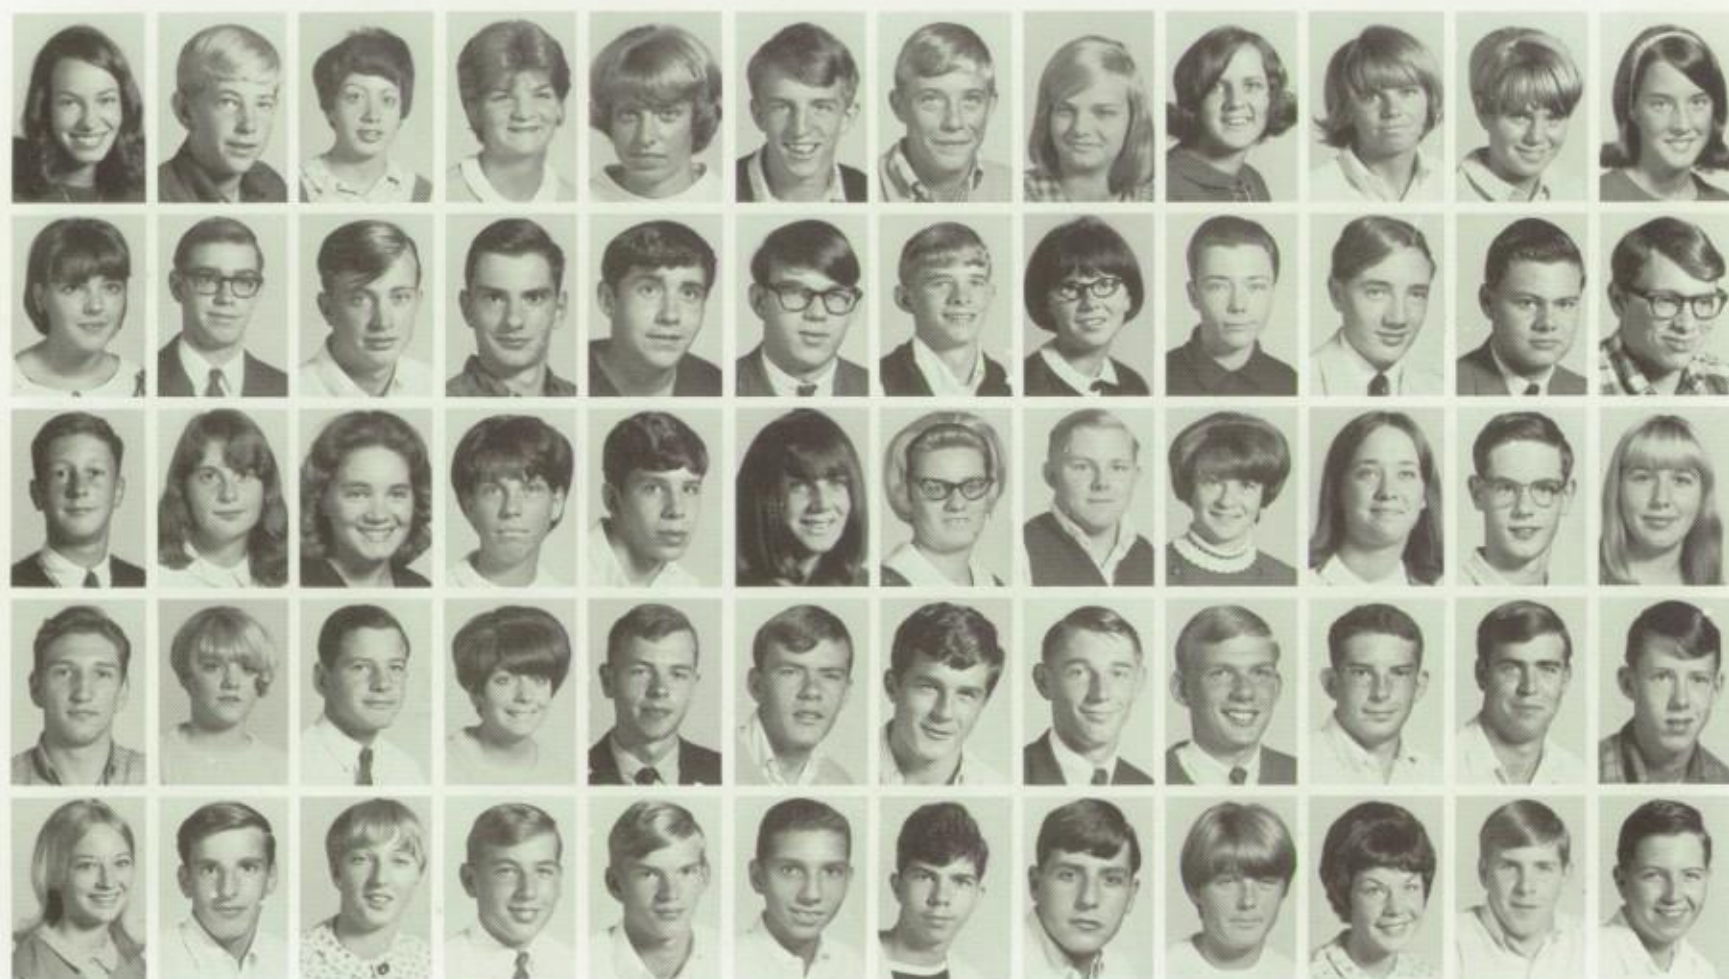

The long awaited rings finally arrived and excitement climaxed with the traditional "Turn my ring!"

## JUNIOR LIFE

# SOPHOMORES

*Phyllis, if we spell it had we same points have the night enjoyed your weekend 5 periods not to late remember it Phyllis always Jocelyn*

CLASS OFFICERS: Corresponding Secretary Barbara Blair, Recording Secretary Pat Steff, Advisor Mr. Ferry, President John Dyer, Treasurer Jocelyn Layman, Vice-President Mary Kay Gillen, and Advisor Mrs. Ferry.

The Sophomore Class Project for this year was a candy sale and through hard work it was quite profitable. The talent show lived up to expectations and participation increased. Sophomore boys have excelled in sports and are highly promising as a group. The class continued Lenape traditions in these efforts but was also an innovator, the Sophomore Newsletter being a journalistic and popular success, and the roller skating party was a fun filled activity. The class served the school in various ways, most notably by improving the appearance of one of the school's outer courts. The Sophomore Class should provide many school leaders in their senior year.

# FRESHMEN

CLASS OFFICERS: Miss Patricia Cantrell, Advisor; Donald Smith, President; James Babcock, Vice-President; Linda Dylla, Corresponding Secretary; Jonnie Johnson, Treasurer; Gwen Hahn, Recording Secretary; Mr. James Morgan, Advisor.

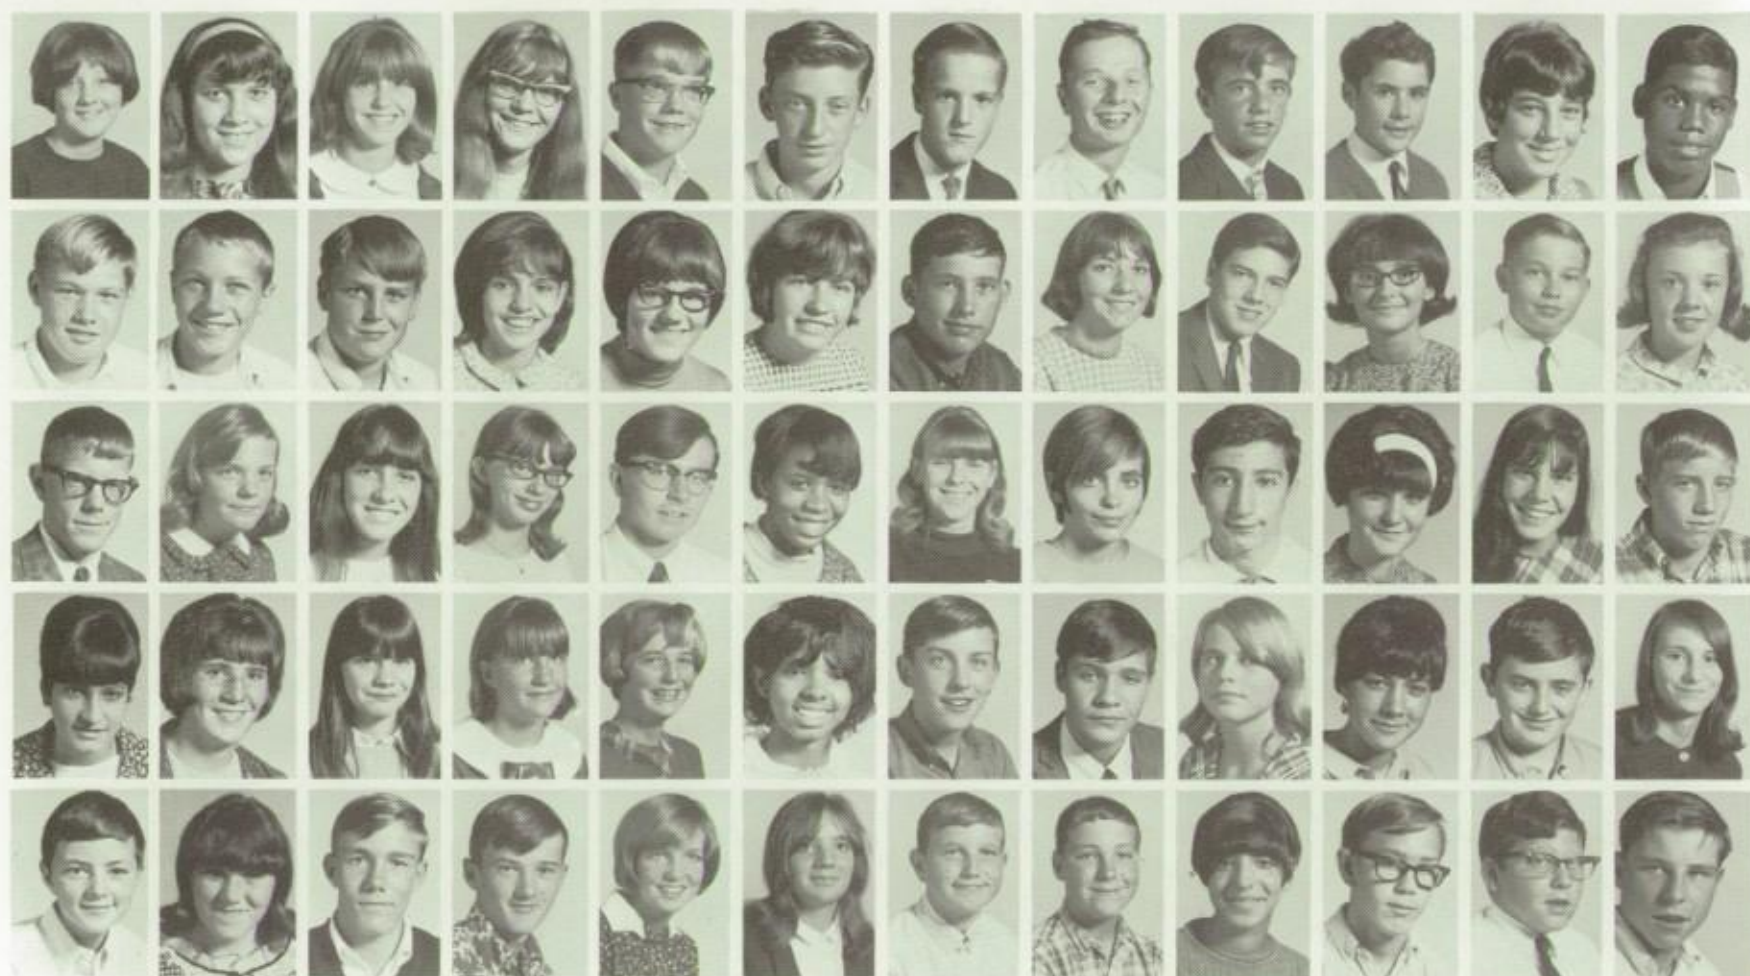

The biggest freshman class ever to enter LENAPE showed great potential this year. Its 710 members worked hard at their class project, which was selling candy. Their Talent Show went over very well as did all other endeavors. Many went out for sports, giving hope to future years.

This class produced the first Christmas Shindig. A band played as freshman cheerleaders danced as "go-go girls. All spectators danced and sang; it was a joy for all.

The freshman class is looking forward to the years to come at LENAPE.

# STUDENT COUNCIL

The Student Council is the students' voice in the government of Lenape. Besides working closely with the administration, the Council, General Assembly and Executive Committee, serve both school and community. The Gobbler's Ball and Winter Wonderland semi-formal dance were both highly successful. Council members act as receptionists to greet parents and visitors and perform various necessary services throughout the school. The Student Council welcomes the new students (Welcome Back Dance) and keeps the graduate in touch with Lenape activities and classmates (Alumni Buffet).

Helping to support the American Field Service Exchange Students, this year Manuel Mir from Spain and Isabelle Pouget from France, the Council serves both school and community. The students and friends of Lenape also participate in the Christmas canned food drive and "Bundle Week." These efforts were coordinated by advisors Mr. Joseph Kulick and Miss Laura Lewis.

## F.N.A.

The Future Nurses of America, under the guidance of Mrs. Palese, visits hospitals and undertakes projects such as wrapping gifts for needy as pictured above. The officers include Catherine Boice, Pres. and Pat Wells VP.

## F.B.L.A.

The Future Business Leaders of America maintains a secretary pool as one of its service functions. Here the members of the club watch the IBM print out report cards, including Mrs. Werst, Advisor, Ron Caudle, Treas., Bonnie Berger, Poldi Palermo, Pres., Sarah Robson, Brenda Chestnut, Joan Pitoscia, Beth Kidder, Eleanor McNamara, Bob Garron, David Tocco, and Ed Hudack. Not Pictured V.P. Shirley Williams and Sec. Carol Ellis.

## F.H.A.

The Future Homemakers of America undertake many projects such as the Cook Book Sale. The following members are discussing this project: (Back) Kathy Van Seiver, Mary Alice Kerns, Trinnette Mazuros, Pat Gilmer, Pres., Priscilla Walsh, Sec., Sue Green, Mrs. Sutton, Advisor, Judy Grapes, Proj. Chairman. (Front) Karen Dye, Cindy Prickett, Jeanette Elhers, Gerri Pillo, Sandy Frantzman.

## F.T.A.

Under the direction of Mr. James R. Buckley F.T.A. has maintained its position as one of Lenape's most active clubs. The highlights of the year's activities include individual class observations, usually at the elementary level, and participation in the NJEA convention. Due to the size of the club, Future Teachers of America has several elected officers. Among them (grouped about the round table), from left to right, are Vice President Kathy Donachy, Recording Secretary Tina Cudemo, Advisor Mr. James Buckley, Treasurer Dot Voshell, and Corresponding Secretary Nancy Wells. Not Pictured: Historian Darcey Jones, Parliamentarian Ray Hoffman, and President Beryl Irick.

## W.L.H.S.

"Good morning . . . would you please rise for . . ." signals the beginning of a new school made by the sounds of WLHS. The news topics help with unread current events and every Senior awaits the verdict . . . "Senior court temperature today is . . ." The bearers of these good tidings are as pictured to the right: Mr. Suplee, Advisor, L. Simms, T. Elder, L. Newman, M. McClatchey, D. Perkins, A. Cleeland, L. Miller.

# BIOLOGY CLUB

The Biology club is made up of students who desire to know more of the life around them. Mr. John Jones, advisor, strives to please and offers a wide choice of trips including Aquarama and the College of Physicians. The trip to the Natural History Museum should be one of the Biology Club's outstanding events this year.

George Blasiola, President, has arranged for all the tours including the Philadelphia Zoo.

## Habla Usted el Espanol?

The members of the **Hispanic Honor Society** have learned a great deal about Spanish culture through their past years activities. Two fiestas, in the spring and at Christmas, were highly successful. A trip to New York, the Hispanic Museum and a Spanish restaurant, culminated the years activities.

The president of the Honor Society is Shirley Long, secretary Barb Mitchell, and treasurer Gini McClelland. Pictured in front of Advisor Senor Casas Bulletin Board are S. Long and G. McClelland (Row 1), L. Major, P. Sauer, C. Hartman, C. Bisignano, and J. Magee (Row 2), P. Walsh, N. Denster, K. Courtney, M. Haines, and L. Lee (Row 3).

## Sprechen Sie Deutsch?

The **German Club** has participated in various activities to familiarize its members with the culture of Germany. Included were dinner at the Schwarzhald Inn, and a Christmas concert and banquet in Philadelphia.

Advisor is Mr. David Silverstein and officers are Yvonne Ireland, president, Ronnie Stuart, vice-president, and Lois Reiss, secretary-treasurer.

## Parlez-vous

## français?

The **French Club** brings students into close contact with French customs. They make trips to the museums of Philadelphia.

Officers are President Debbie Thompson, Vice-President Jerry Carpenter, Secretary Sue Bankston, Treasurer Patricia Jones, Publicity Agent Merrill Kalb. As adviser Mr. Joseph Plageman sees the spirit of France carried through.

## BOWLING CLUB

Mr. Kulick is the advisor of this large and popular club. Secretary is Jodi Yates. Both boys and girls have maintained high averages in this successful year.

## CAMERA CLUB

Lenape's Camera Club attempts to increase interest and skill in the photographic arts. Sponsored by Mr. Cyr the club members are instructed and given practice. Their photographic efforts are then placed on exhibit. The club will sponsor the Scholastic Photo Awards Exhibit and it also plans to take several field trips.

## FROSH DRAMA

Pictured are S. Ziely, E. Marshall (Treas.), P. McGuire (V.P.), M. Leonard (Pres.), J. Cannelo (Sec.), and C. Nagg. Advisor is Mrs. Stokes.

## THE LEGEND LETTER

The Legend staff strives each year to make its yearbook "just a little bit better."

In attempting to capture all aspects of student life we have altered the face of our book. Individual underclassmen pictures have been included, the book has been enlarged, and candid photos have been utilized wherever possible.

The last deadline has now been met and the book is off to the presses. It is with mixed emotions but best wishes that we delegate our responsibilities to the staff of '68!

*Merrill Kalb, Editor*

# TEAM WORK

On the football field or basketball court, teamwork is the key to success. The talent and ability of individuals may vary, but without that vital ingredient — the ability to cooperate and work together — individual abilities are meaningless.

Teamwork is also vital in any industrial enterprise. The Rohm and Haas team is made up of more than 12,000 men and women.

At the Bristol Plant some 3,000 people produce hundreds of different chemicals — enzymes for the textile, food, and tanning trades, emulsions for paints, floor polishes, textiles, and paper coatings, Plexiglas acrylic plastic sheet and molding powder, insecticides, miticides . . . the list would fill a book.

To do this a variety of skills are required. Chemists, engineers, chemical operators, accountants, typists, stenographers, pipe-fitters, mechanics, instrument men . . . there are few skills which are not represented on the Rohm and Haas team.

We hope you will consider us when your education is completed. We have a number of positions for team players.
